

Year 6 Transition 2021

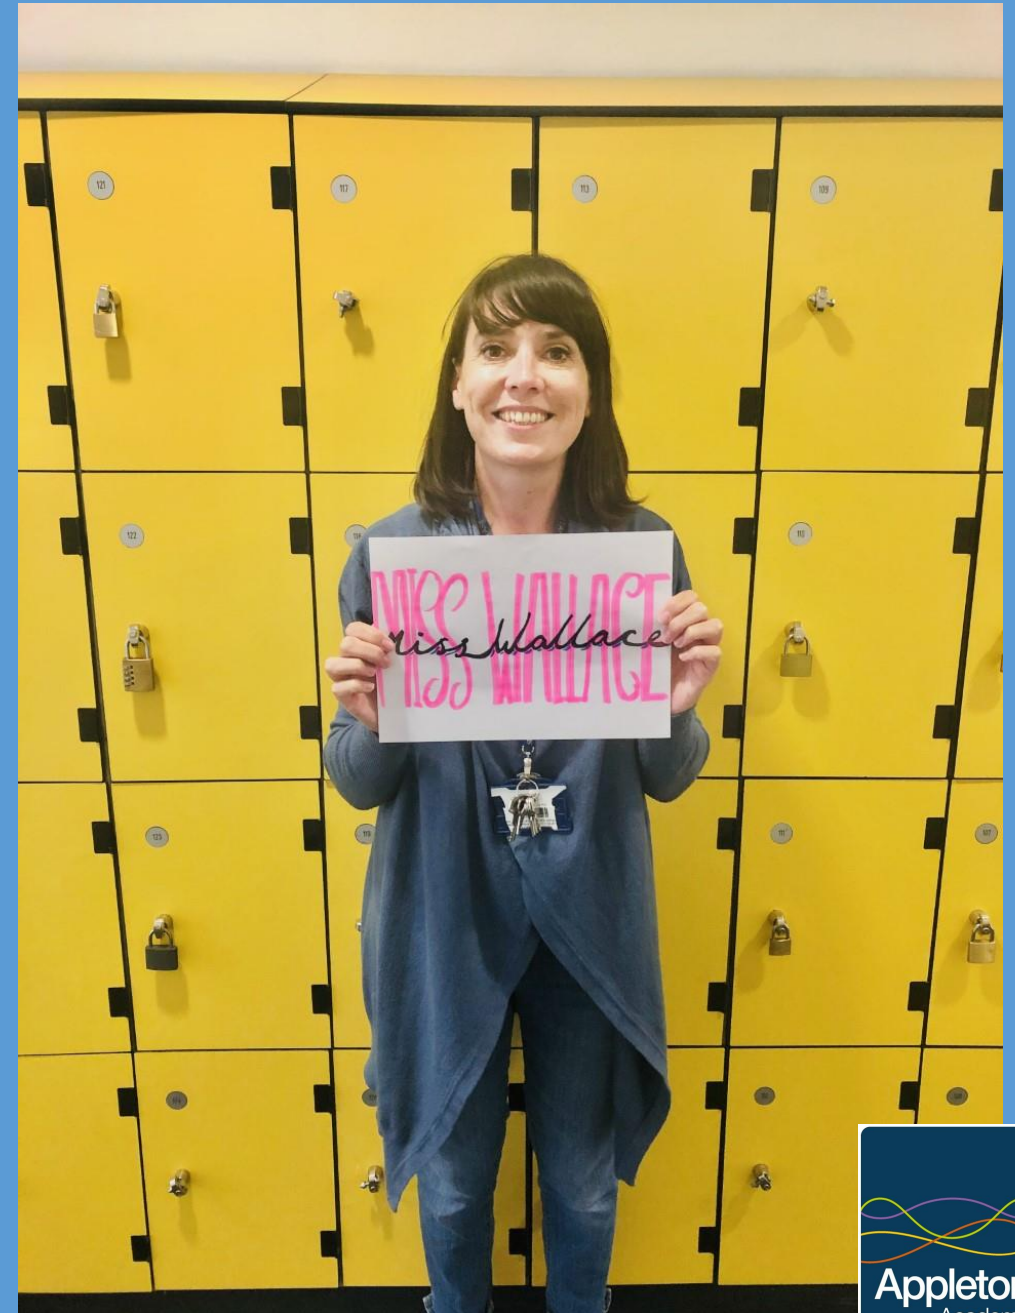

Welcome to the Art and Design Faculty at
Appleton Academy

Be *your* **Best**

Appleton
Academy

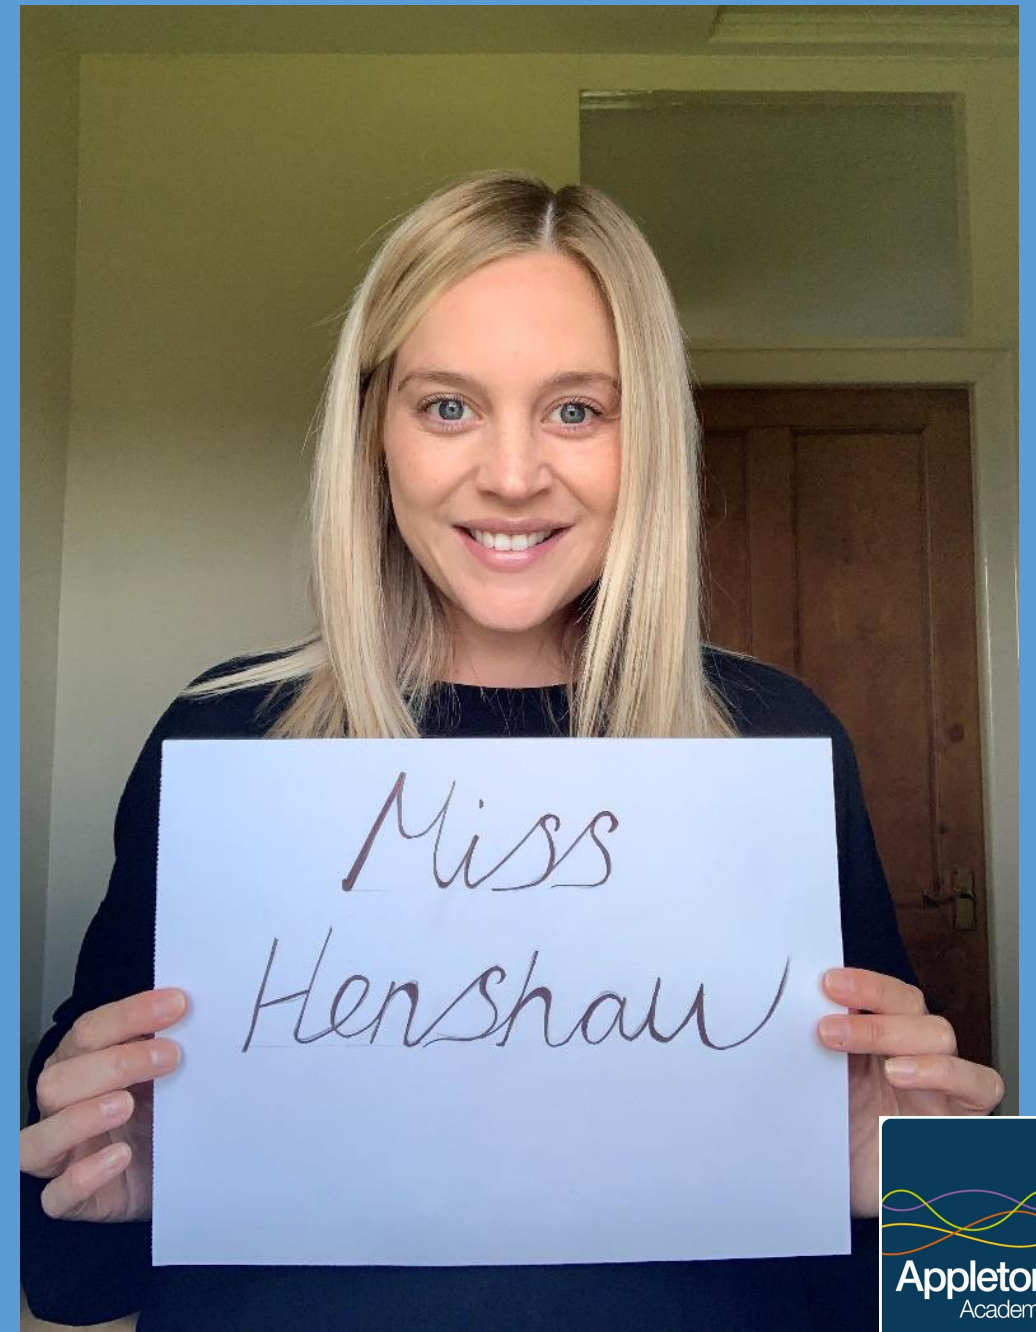

Miss Wallace

Hello Year 6 Students, my name is Miss Wallace and I am a teacher of Art and Photography. I absolutely love art (because its the best subject in school) and in my spare time I enjoy creating my own artistic work and finding new skills to share with students. At university I studied three dimensional design.... which means one of my favourite things is to create with clay and get messy.

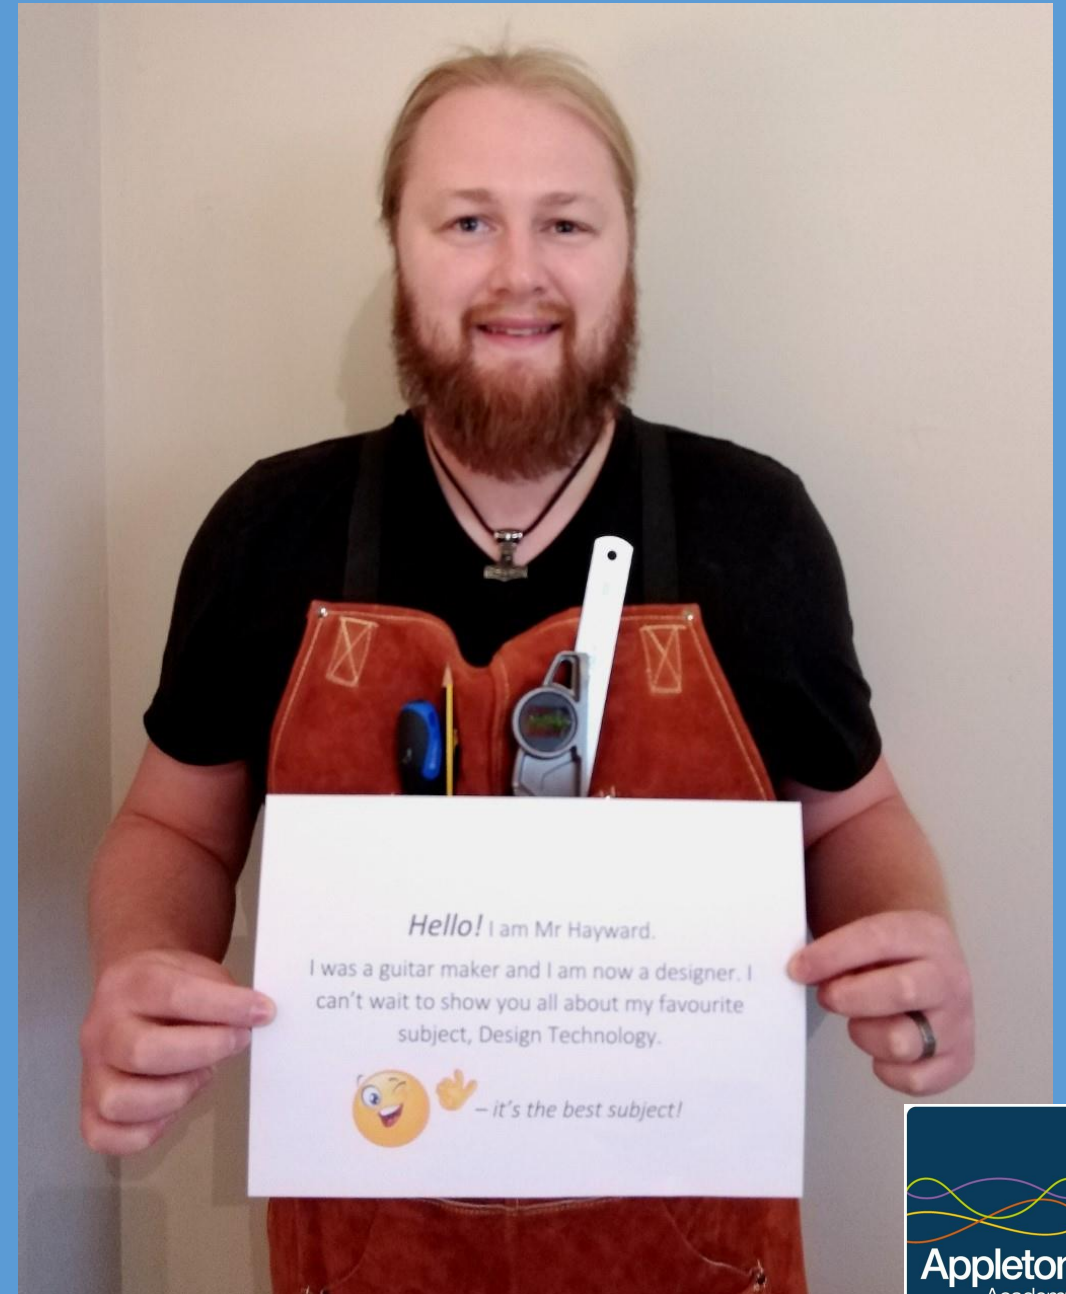

Miss Henshaw

Hello Year 6 students, my name is Miss Henshaw and I teach Design & Technology at Appleton Academy. You are likely to see me making products in the workshop, as this is what I enjoy the most! I enjoy making furniture and crafting in my spare time. I look forward to meeting you and showing you all the fantastic equipment and machinery we have.

Mr Hayward

Hello Year 6 Students, my name is Mr Hayward and I was a guitar maker and now I am a designer. I can't wait to show you my favourite subject, Design & Technology, it's the best subject!

Mrs Tsobanoglou

Hello Year 6 Students, my name is Mrs Tsobanoglou (difficult Greek surname, I know...). I have been a teacher for many years; 2 years in Greece and over 23 years in England. I teach Product Design, Food Technology, Textiles and Art. I love teaching these subjects as they are creative and very enjoyable; I cannot wait to introduce our fantastic projects to you.

Miss Richardson

Hello Year 6 Students, my name is Miss Richardson and I am one of the Design & Technology teachers at Appleton. I teach Hospitality and Catering to GCSE Students but you can generally find me in the food room.

Miss Talbot

Hello Year 6 students, my name is Miss Talbot and I teach Design & Technology at Appleton Academy. I teach Hospitality and Catering to GCSE Students. I'm looking forward to meeting our new Year 7s in September.
